-NOSOTROS-

Tybsø se mantiene fiel a la filosofía de crear piezas únicas hechas 100% a mano pensadas siempre como ese objeto que es capaz de unir y resaltar el modo en que la gente come, vive y celebra alrededor de la comida y la buena cocina!

Conformados por 2 generaciones con especialidad en artes y apoyados por un equipo de 10 artesanos somos apasionados del diseño y obsesionados con la creatividad para traer siempre objetos nuevos a nuestras colecciones.

Nos reinventamos continuamente siempre observando las necesidades de nuestros clientes; es por ellos y su amor a la comida que crecemos y continuamos creando para lograr el maridaje perfecto entre plato y receta. En Tybsø ofrecemos una experiencia única donde cada plato 100% hecho a mano está pensado para resistir el paso del tiempo, para ser heredado por generaciones, para complementar colecciones y no para remplazarlas.

Somos unos enamorados de la buena mesa, nos apasiona el amor por la comida, somos felices haciendo realidad ese sueño de tener la vajilla que siempre soñó, cada nueva orden de producción es el comienzo de una nueva relación donde nos reinventamos para y por nuestros clientes.
